## ADRIANA AMONTE

When I'm feeling antsy, I like to spend a few hours sunbathing. The wind rushing through my hair; the hot sun shining across my skin. It's all so tranquil. What's even better is seeing my man afterwards. Once I've achieved inner peace, I like to take a bite out of his outer piece. I call this routine a mind and body exercise.

## INTIMATE THOUGHTS AND XXX ADVICE

*I always ate in my car, no matter how hot or cold the weather.*

I sat there behind the wheel of my old car, chugging from a water bottle and reading an Adult Western novel. I had the windows down, sunroof peeled, and the driver's side door open, hoping against hope for some sort of breeze to cut through the sweltering heat and humidity.

I always ate in my car, no matter how hot or cold the weather. Lunch in the comfy, climate controlled confines of the library staff lounge was asking for trouble. My car was the only option. I would've loved to go home for lunch, but I lived too far away. And a quick bite at a fast food joint was out as I was trying to save money.

The library shared a parking lot with the city's public works department where Sally worked. Most days we ate lunch at the same time. Today Sally was inexplicably late. I had already eaten my sandwich and apple when she exited the building and started walking to her car parked beside mine.

"Hey, Sally," I said.

She smiled and shook her head in dismay. "I don't know how you do

it. It's too hot to be eating out here."

"Yeah, well, we can't all go home for lunch."

"Are you trying to make me feel guilty?"

"That's exactly it."

"Jealous, huh?"

Sally and I exchanged this kind of banter on a regular basis. She was divorced, had a grown daughter in law school, and held what she referred to as a "dreadfully boring" office job processing water bills for the city. In this respect we had something in common; my gig in the reference department was pretty damned boring, too. I was in desperate need of kicks to liven up my humdrum work day.

"I have an idea," Sally said. "Don't bring your lunch tomorrow. We'll pick something up and eat at my place."

"That sounds great."

"So it's a date?"

"You bet, Sally. Thank you. I'm looking forward to it."

The following day I was waiting in the parking lot when she emerged from the building. I had thought we were going to pick up

some food, but she drove straight to her place. Turns out she had made a meatloaf the night before.

"Thanks again, Sally. That was fantastic."

"You're welcome," she said. "Glad to do it."

"Sandwiches and salads are great," I said, "but it's hard to beat a good old fashioned hot lunch."

"I agree."

I'll admit there had always been some sexual tension between us. I had actually toyed with the idea of asking her out, but never could summon the courage. I often wondered how she felt about me.

I took our plates to the kitchen sink, turned on the faucet, and reached for the dish soap. Sally joined me. "Don't bother," she said. "I can get those later."

"I don't mind, really. It's the least I can do."

She moved closer. "I can think of a much better way to spend the remainder of our hour." She gave my shoulder a tantalizing squeeze. Electric current coursed through my arm. I turned off the faucet and leaned against the counter. Sally

unbuttoned her blouse and removed her bra. She had magnificent tits. I was already hard when she knelt before me and unzipped my chinos. She licked my cock, up and down, basting the shaft with expert skill, periodically sucking my balls as she did so.

Finally she took me into her mouth and treated me to a stellar blowjob. Her head pumped back and forth as she moaned and slobbered and gagged. I was on the verge of blowing my wad in no time. Sensing this, she slowed her pace. When she came up for air she looked at me and said, "Are you ready to fuck me?"

"What do you think?"

She walked to the table where we had just eaten lunch. I moved behind her and lifted her skirt. Sally had wide hips and a big ass. Not too big, though. And definitely not flabby. She was wearing black lace panties. I slid them down her legs as she placed her arms on the table and leaned forward. My cock slipped right in. She was wet and ready to be fucked.

I grabbed her meaty hips and banged her at a sensible clip. I didn't want to shoot my juice too soon, not before I had screwed her good and proper. It was the least I could do; after all, she had treated me to a wonderful lunch. The table shook as the sound of our slapping flesh filled the kitchen.

After a few minutes, I pulled out, kicked off my pants, and followed her to the living room. I sat on the sofa. Sally turned around and sat in my lap, mounting me reverse cowgirl style. I reached around with both hands, squeezing her tits and tweaking her nipples as she rode me. Long and lustrous auburn hair cascaded down her back. I buried my face in it and inhaled the sweetish scent of her shampoo.

"Do you like that, baby? Do you like it when I ride that big dick..."

I pulled my face away from her hair and stared at her ass as she worked it in a circular motion. It was a truly wondrous sight to behold. I wanted time to stop. Of course we

were both slaves to the clock.

Still, neither of us said a word about the time; to do so while fucking would have been blasphemous. Sally dismounted and finished me with her hand; my cock erupted, shooting thick ropes of cum. We returned to our jobs with less than a minute to spare.

It was three weeks after Sally and I had eaten meatloaf and fucked each other's brains out. I really wanted it to happen again, another lunchtime sex fest at her place. Still, I didn't want to appear too eager. Nothing turns a woman off like desperation. I played it cool, continuing to eat in my car on a daily basis, being friendly to Sally, but not overbearing.

I finished my sandwich and started to crack open a book when Sally exited the public works building. She made a beeline for my car. I closed the book and gave her my undivided attention.

"Hey, Sally."

"How's it going?"

"Can't complain, I guess. Another day, another dollar."

"I still don't see how you eat out here in this heat."

"It's not so bad. Hell, I'll take the heat over the cold any day of the week. I can't stand winter."

"I'm with you on that one," she said. Then, "Hey, what do you say we do another lunch tomorrow? I'll make my world famous chicken spaghetti Whitneyght."

"Sounds super. Count me in."

"Great," Sally said.

She started walking to her car, then stopped.

"Oh, I almost forgot. My best friend from college is in town. She'll probably want to eat with us. I hope that's okay."

My mood plummeted. Damn,

I thought. Sally's friend entering the equation meant one thing—no nooky for me.

"That's fine, Sally," I said, doing my damndest to hide the disappointment in my voice. "I look forward to meeting her."

I lay in bed that night, tossing and turning. My mind wouldn't shut down. I couldn't stop thinking about tomorrow's lunch date. Sally was a great cook and all, and I appreciated her generosity, but having lunch with her and her friend wasn't exactly my idea of fun.

I didn't want to go. Perhaps I could stop by the public works building tomorrow morning and cancel. Something came up, I could say, something at work. Sally would probably be disappointed, but she would understand.

Decision made, I expected to fall fast asleep. But that didn't happen. Another possibility dawned on me. Maybe, just maybe, Sally and her friend wanted to...

"In your dreams," I muttered.

Clearly, I had been watching too much porn. Threesomes didn't happen to guys like me.

I just wasn't that lucky. Sally was sexually adventurous, but not to that level. At least, I didn't think so. Then again, how much did I really know about her? Not much at all. To cancel or not to cancel, I mused. Decisions... decisions...

It was a long night.

"Smells heavenly," I said.

"Wait till you taste it," Sally said.

Our lunch was heating in the oven, filling her cozy bungalow with the tantalizing aroma of home cooking. I was glad that I hadn't canceled. At the very least I was going to enjoy a delicious meal. After all, sex wasn't everything. I

had convinced myself that a threesome just wasn't going to happen. And that was perfectly fine.

"Erin's sunbathing at the pool," Sally said. "She should be here any minute."

We were sitting on the sofa. Sally was smoking a cigarette. I thought about three weeks ago, thought about sitting there on that very same cushion while she rode me reverse cowgirl style. The memory made my cock stir.

Erin made her entrance—

Sally's best friend was wearing a bikini; her long brunette hair was wet from swimming, her skin redolent of tanning oil. She was tall and thin and taut. I tried not to leer, but it was damned hard.

Sally introduced me. Erin placed her beach bag on the floor and sat in the chair opposite me. She had stunning brown eyes.

"How long till we eat, Sally? Swimming makes me hungry."

"Fifteen minutes, give or take. I just put it in the oven."

"So," I said, looking at Erin, "Sally tells me you two were best friends in college."

Erin smiled and shook her head. "Those were the days. Crazy times, for sure."

"I bet you two got in a lot of trouble, huh?"

"You know it. Four years of nonstop partying."

"And," Sally said, extinguishing her cigarette, "whenever we get together it's just like old times."

"Yeah," Erin said, "we always pick up right where we left off."

Sally's friend spread her legs provocatively. I could see the cleft of her pussy through the wet bikini bottom.

"Like what you see?" she asked.

I was speechless. Erin lowered her hand and pushed the fabric aside, giving me a nice gander of her pussy. I looked at Sally. She stared at me with rapt attention, gauging my reaction. "Are you okay with this?"

"More than okay," I said.

Erin removed her top and tossed it aside. She had smallish, firm tits with big nipples. She got out of her chair and came forward, crawling across the carpet like some sort of predatory jungle animal. She ran her hands up and down my thighs, peering at me with those stunning brown eyes, and licking her lips.

My heart hammered as she unzipped my trousers.

"Nice and hard," Erin said, freeing my cock. She spat on it and proceeded to stroke me with one hand, up and down, nice and slow. My cock swelled in her palm.

"That's it," Sally said, "just like you used to stroke those frat boys."

I looked at Sally. She had removed her blouse and bra and was kneading her tits. Watching her friend give me a handjob was making her hot as hell. It wasn't

long before she took off her pants and started playing with her pussy.

"Keep going, Erin," Sally said. "Make me come."

Erin went from handjob to blowjob with asWhitneyshing speed. She sucked my dick with sloppy, slutty vigor. What she had said about being hungry was the utmost truth. She moaned around my prick, staring into my eyes as her head pumped back and forth. The suction was incredible.

No doubt Erin had sucked a lot of cock. She was good at it. Sally continued to masturbate; she had three fingers inside her pussy, working them hard as her juices flowed.

Before I knew it Erin had turned around and straddled me, reverse-cowgirl style, just like Sally had done three weeks prior. Erin's pussy was incredibly tight. She lowered herself, inch by inch. Her snug trench hugged my cock. I moaned and held her bony hips. She employed the same circular grinding motion as her friend.

"Yeah, baby," Sally said, "you know what to do. Ride that dick."

Sally's ongoing commentary coupled with Erin's pussy brought me to the brink. Erin sensed this, lifted her hips, and climbed off. She knelt before me.

"Come on, Sally. Let's finish him off."

Sally joined her friend. They took turns. One of them licked my shaft, while the other sucked my balls. Then they switched, back and forth, again and again until I climaxed. Cum jetted from my pulsating pecker.

"Dammit!" All of a sudden Sally rushed to the kitchen. She grabbed a hot pad and opened the oven door. Black smoke billowed forth. She placed the casserole atop the stove, coughing and cursing.

"Don't tell me," Erin said.

"I'm afraid so," Sally told her friend. "It's ruined."

"Well," I said, "who's up for a burger?"

"Fuck that," Erin said. "I want a footlong hotdog."

Spoken, I thought, like a true cock gobbler!

People are always surprised when I say I like older men. What's more surprising is the fact they haven't tried it yet! I don't mean sugar daddies, they think that sex is business. So entitled. Older men are sweet and eager to please. The absolute dears always make sure that you come first, and I can't get enough of it!

I'm no stranger to being gawked at. Hell, more often than not I take it as a compliment. Most would say it's my voluptuous tits that catch their attention, but I think those lucky enough to fuck me would sing a different song. After all, they'd have to start with my magnificent mouth before getting to my sumptuous boobs and hot pussy.

It's the week after finals and I'm still coming down from the stress of it all. Getting home for the holidays I decided to catch up with an old friend. Lo and behold he has his own place now. Just the thing I need. When I get there, he's completely naked. Even better for me. I undress and join him to relieve more stress.

### MY BUDDY'S HOT MOM

I have what I think is a rather interesting story, and I thought I'd share it with your other readers:

I had just got out of the service and me and a friend (I'll call him Joey) were staying with one of our buddies ("Steve"). Steve's mother ("Joanne"), a very pretty woman, was very attracted to Joey. Steve was on call on his job, leaving me and Joe at home.

Joey said he wanted to take a nap. I was watching some tube and before long I heard some rumblings coming from Steve's mom's bedroom. I couldn't resist. I looked in there and saw his mother giving head to Joey.

I wasn't sure exactly what to think, but any emotion soon left me as I remained and listened to the woman's screams of ecstasy when they got into the missionary position. After a few minutes' rest, I saw my friend getting ready to shove his big dick in his friend's mom's ass.

I tiptoed out of the room just as Joey threw on his clothes. In a few minutes Joanne was watching TV and was looking very satisfied. When Joey came back downstairs she told us supper would take a few minutes to heat up. But Joey said to her, "Let's go out and eat." Joanne was very willing, since her husband was away on one of his extended business trips.

She put on a modest dress which did not show off her fantastic figure and he suggested that she put on a beautiful dress which did show her figure. She changed. When she came out, he said he

whistled at her and this seemed to please her.

We went out to dinner and Joey told her how beautiful she was. Drinking wine had made her giddy. After dinner, Joey suggested we go back home and stream a porn flick and she agreed. We watched a movie which included a hot foursome.

After the flick Joey suggested a nightcap. Joanne agreed. After three drinks, I saw her place a hand on his dick, which gave him an enormous erection.

He told her that maybe it was a good idea for us to stay there again for the night as he was feeling very inebriated.

Soon they were kissing and getting hot and heavy, and then went to her room. I crept upstairs and saw Steve's mother go into the bathroom and then came out naked in all her glory.

I watched as he managed to plant a kiss on her lips, and soon went down on her pussy, but not until she had suggested they go to the bed.

He said that banging his friend's mother was so incredible that if he did not live another day it would be okay since he would have lived already.

### VALENTINE'S DAY ROMP

I wrote the beginning of this email in a Valentine's Day card to

AFTER THREE DRINKS, I SAW HER PLACE A HAND ON HIS DICK.

my husband. We have felt, for a few years now, that our love life had been getting a little stale. And while we have talked a lot about spicing things up. It never went any further than just talk. But now, I'm determined to make it work no matter how many times he may put it off.

And so I wrote... "My darling man, we both need to do something more exciting for our love life. I have never had another woman and another woman has never had me. It is something I have fantasized about for many years. But I'm selfish or jealous; I would love to watch you fucking another woman, or perhaps another woman fucking you."

His eyes lit up as he read it and I sat there holding and squeezing

his hand. When he finished he mouthed, "Really?"

I nodded demurely.

I had met Stacy at her little candle shop in Old Town about two years ago. She is slightly older than me, a voluptuous size nine hottie who likes wearing skin tight yoga pants to highlight her legs and ass. She exudes sex appeal, but seems to stay understated at the same time.

After the holidays, I was going into her store, not only to see her, but to buy little gifts for my girlfriends and myself. One quiet day at the shop in early February, we loosened up and discussed our sex lives. She told me she likes both men and women, and is with neither one right now. She went on to say that someday she would like to have another threesome, since her last one was in college and she loved it. With my head bent down a little, I looked up at her with big doe eyes and told her that I would love for her to have it with me and my husband. That's why I'm buying the card to write my fantasy into onto it. Then I told her he's very handsome and has a big, thick eight inch dick.

She put a finger under my chin and gently pushed my head up and said she would love to. The she asked if she could bring a friend. I was a bit shocked, but even more excited to say yes. Stacy said she had been discussing a similar thing with her friend but they couldn't settle on a man to fuck them.

Two weeks later, on Valentine's Day, at seven in the evening, both ladies appeared at our door and entered gracefully into the house. We chatted to break the ice. They were intent on seeing who could capture the most attention as they sat with their legs crossed. Stacy an amazing sight, killer heels, an extremely short black dress high-

lighting her legs, absolutely magnificent thighs and ass, She wore no jewelry.

Her friend Whitney is similarly dressed in an extremely short black dress that showed off her long legs stuffed tightly into knee high leather boots. My man couldn't keep his eyes off their thighs as they crossed and recrossed their legs.

Without saying a single word Stacy and Whitney take my hands and motion for me to stand so they can undress me. I was quickly naked apart from my heels as they removed the only other item I was wearing, one of my man's black shirts.

Now, I'm laying back on the sofa just my heels. I'm spread-eagled as Stacy holds my face in her hands as she passionately tongue kissed me and I respond. At the same time Whitney was kissing and licking my very erect nipples. I tremble in sweaty anticipation, but manage to look over at my naked man watching as he pleasures himself.

Stacy catches my eye looking at him and looks down at his cock and smiles. She stops kissing me to ask in a soft whisper if she can fuck him later while I'm with Whitney. I made a point of not answering her, though the thought of watching her fuck my man while Whitney sexually pleased me had great appeal in my currently very aroused state.

Whitney was glancing at his raging erection as she alternated tongue kissing me and licking and sucking my nipples. Thirty years old and my first ever les-

bian experience is very exciting, especially with my man watching on teasing his eight-inch erection with a fingertip, pulling up strings of pre-cum and rubbing his fingers.

When the four of us moved to the bedroom, Stacy and Whitney had their hands all over each other as they kissed passionately, an extra turn on for me and my man

as we watched them.

Then Stacy lay on her back on the bed and motioned for me to sit on her face facing her feet. Then Whitney lay between Stacy's legs and commenced licking her pussy lips. Stacy had her hands on my ass manipulating her lips along my pussy. I am so pleased my man is watching as I orgasm for Stacy. And double the pleasure watching and feeling her orgasm on Whitney's tongue.

Stacy looks at my husband and says out loud that she wants to

fuck him now, and Whitney and I can watch or have fun with ourselves. Our pick.

I whisper that I would love that, my libido in overdrive at the thought of watching her fucking my man's big cock and the extra sexual pleasure it will give me. We all watch him fitting a cock ring on his roaring erection and fastening it under his balls.

When he finishes, he stands up, his cock pointing at us and I can feel the ladies licking their lips in anticipation. From my personal experience I know when he chooses to wear a cock ring he intends to really perform and excel himself with the veins bulging in his rock hard cock. He comes over to the bed and the two friends make way for him to lay next to me.

I whisper to my man as we hold hands that this is going to be something we both deserve. Whitney positions herself between my legs, licking my pussy with exquisite sexual pleasure while Stacy is tongue kissing me. She whispers that she's so wet, she can't wait for his cock any longer.

I smile and she gets on her knees and slowly straddles my man and ever so slowly slides down onto the full length of his raging, rock hard, erection as we hold hands. My man really is well hung I muse in an agitated state as I watch another woman sliding her body onto him as she holds my gaze.

I can hear someone moaning, "So good, so fucking good, don't stop," before I realise it is me enjoying new and wonderful, exquisite sexual pleasure as I orgasm over and over. These are new levels of sexual pleasure and excitement as Stacy is kissing me as her friend is licking my soaking wet pussy.

An hour or so later, after we

had all showered together, it was my turn to provide these two marvelous ladies with what they came over for. Stacy is a huge challenge for me as she stands naked apart from her heels resting her back against a wall as we tongue kiss passionately. My man is standing beside me, resting against the wall teasing his new, full-on erection with a fingertip as Whitney tongue kisses him.

"I have wanted you to do this to me from the first moment I saw you Michelle. Do it for me, now," she moans as I kneel and hold her ass as my tongue finds her engorged clit.

I love the way she puts a leg over my shoulder and pulls my whole body closer to her. Then she clasps her hands behind my head pushing my tongue and lips into her wet pussy as she moves her hips in a fucking motion.

At the same moment Whitney kneels and takes my man's cock between her lips. Within the first few gulps, she has managed to get him all the way down her throat without a single gag. It took me over twenty blow jobs to get his monster all the way down my gullet. Her slurping noises are a real turn on for me as I try to ignore this other woman giving my man a blow job alongside me.

Then he pulls her up and gently pushes her front against the wall. He gets behind and enters her with a moan and a scream from her. She backs her ass into him as he pounds into her, as I slide a finger into Stacy and curl

it around to find her g-spot. My tongue is doing things to another woman for the first time that I had been fantasizing and dreaming about for years. I am enjoying my new found, dual sexuality coupled with the power I have over her as she moans and manipulates my head with her hands. A huge moment for me as I am about to bring another woman to orgasm

SHE WHISPERS THAT SHE'S SO WET, SHE CAN'T WAIT FOR HIS COCK ANY LONGER.

for the first time ever.

My thoughts are interrupted as I hear the two next to me announce that they're both cumming. We all fall back on the bed in a hot, sweaty, fleshy mess. And wake up some ten hours later.

— Michelle, Denver, CO

Do you ever wake up with an epiphany that something is gonna happen? Some new step or big event? Today I sat up in bed and just knew I had to call my boyfriend. I needed him to put it in my ass. Once he arrived, I immediately kissed him, pulled him onto the sofa, and started grinding. Once we were going, I popped the question, and he popped it in.

**LORA CRAFT**

I was all ready to finish off my night with a nice hot bath before bed. Maybe spend some time with my dildo. Take it slow right? Then my man comes to join me. But if he's gonna join my late night fooling around, then I'm fucking him and getting every last bit of his hot spunk into my mouth.
